24. Your opinion about agriculture today

No opinion

We have to concentrate abt agriculture

Best job in future

Now a days young people and housewives encourage house garden , so I hope agriculture in future will be good

It is very important

Should practiced by everyone

Without agriculture we won't be able to have food. But no one is grateful to the farmers and their hardwork

Its very important

It is decreasing day by day

It's gradually decreasing . The seeds which they get are not qualified and the manure is full of chemical.

Agriculture is the backbone of our country's economy.

Most of the people are not interested to the agriculture field

It's not reaching out people properly. In earlier days they were considered as the richest person as now the technology de

Today people lethargic about agriculture they don't care about farmers and their hardwork for cultivating crops

Agriculture today need some modernization farmers donot know any modern technologies .

Plz support farmers

.

Its well and good

In my opinion today's agriculture is good but nowadays most of the farmers use more pesiticide for their crops and they al

Improve the standard

My opinion is..without agriculture..We can't live in this world.

Agriculture is the art and science of cultivating the soil, growing crops and raising livestock. It includes the preparation of p

Good

Need more improvements for farmers ... agriculture is most important one ढँ

Save the agricultural land

Average

Agriculture is the common work

Good

Abundant child

Want to improve it

Due to urban development more agriculture lands are turned into plots for building construction comparatively the growth

NA

Improve to the agricultural

Nowdays agriculture lands are taken by corporate companies, insufficient water facilities so agriculture was rarely in tamil

We need to improve the relationship between the farmar and the consumer and allow farmer to fix the rate

Agriculture today is very poor . No people are willing to became a farmer.

Yes

Need to motivate

It reduces

Poor

Not so good, because there is no profit, and the face financial problems.

Agriculture today is well and good

Not much growth

It's a backbone to human beings.

Must important one

We are nothing without agriculture

Survey on People's knowledge about agriculture

Today's agriculture is very difficult because they don't have any helps from government and then they running their family
No idea

India is an agriculture, we must do agricultrue and want to promote it...encourage youngsters

One of the best ðŸ‘—

Most of the farmers are small farmers, so they can't able to handle the inflation of money.

So, they need a great support from the government with both the new technologies and loan dismissal.

Introduction of hybrids ,fertilizers and so many modern methods is awful to agri

Agriculture Is Vital Today.Without Agriculture we can't eat ate do anything.

It should be imporoved.

It should be supported by more youngsters in future it seems

Not good

It's should be develop

-

Need to be concerned

Striving through the modernization, gradually reducing...

Agriculture is the greatest and fundamentally the most important of our industries.

It depends on the mindset

No matter what progress we make, agriculture is fundamental

-

Everyone should be aware agriculture and support to the farmer

Should improve

Plays a major role

Plays a major role in our day to day life.

Plays major role

Improve framing and growth in agriculture is essential not only for self-reliance but also to earn valuable foreign exchange

Poor

Today's agriculture has become less in quality because of the low quality seeds and manure.

In today's world agriculture has been decreasing and the agricultural products are becoming quality less.

Today's agriculture is being decreased because of the financial problems of the farmers.

Good

It is very down on that during period

It's plays aa majoor role in our country

It's very bad

Agri is the heart of our nation's development

Not good

Its important

Nothing

Survey on People's knowledge about agriculture

[illegible]

In this modern agriculture farmers are forced to use pesticides and other harmful manure

Agriculture is an important sector in the society which provides food to the most livelihood and plays a major growth of our

It's very loss today

Nothing

It's getting worse as the technology gets developed. Farmers are not getting the amount they've invested so it has to take

It's getting poor

Good

Not so bad

These days farmers need awareness about various schemes and irrigation methods for efficient and effective crop yield

Nil

Yes

Agriculture is not do everyone

Few people's only do because there is no water, proper soil etc..

Nothing

Very well production

Major work for needs

. important

Not well

Work at some peoples. most people is going to city

25. Agriculture is an inevitable one. State Your opinion .

Yes without agriculture no one can live

Yes

Yes

Without agriculture there is no healthy and fresh foods , and everything will be chemically made so agriculture is an inevitable one

Yes. Without agriculture how can we eat

100% true

Yes it is.it is part of our life

Yes

True

Yes. Without agriculture there is no food for us. We all work so hard in our life for food only. So if there is no agriculture there will be no food.

The agricultural revolution was inevitable due to its ties with the industrial revolution that accompanied it.

Yes

Don't know

Yes. It's a main source of living .

Yes. It's a life saving one

.

Yes.

The agricultural revolution was inevitable due to its ties with the industrial revolution that accompanied it.

Yes

Yes..

Yes it is an inevitable one

True

Yes

Yes

Yes

Na about tell my opinion

Yes

Yes. Agree

Yes

Food is the main source of energy, for each and every species in the universe agriculture plays a major role for human consumption

NA

Tamilnadu

Yes , agriculture is inevitable,

Yes

Yes. Our life depends on it

Agriculture is nature

Yes true

Yes

Yes

Yes, it's good if you know when and how to cultivate the suitable crops according to the seasons

Body need food to survive so agriculture is an inevitable one

Yed

Yes.

No idea

Tamil Nadu

Survey on People's knowledge about agriculture

Yes,I storngly agree this .we just imagine who can eat without agricultural .so pls doo support the farmers and help for the

No idea

Yes

Yes

Yes, without agriculture no foods can be produced, it will lead to the scarcity of food.

Perhaps

It's true that agriculture is an inevitable one.

Yes. A man could not live without food.

Yes.Agriculture is an inevitable we can't able to survive without that.

No

Inevitable

Yes

Agree

We are directly and indirectly dependent on agricultural products

Without agriculture it would be impossible to sustain human life as we know it.

Yes

Agriculture needs to be adapted to the future

-

Kerala

Yes

Yes

Yes.

Yes

Strongly agree and more important...but nothing opinion

We want to improve agriculture then only our country become a higher level.

Without food we can't able to live so agriculture is the inevitable one .

If agriculture is not done, we can't get food to eat. We all work hard for that only so agriculture is an inevitable one.

Of course it is inevitable because it is the back bone of India.

Yes

Yea

Somewhat

Yes

Yes..

I completely agree

Noo

Yes

.

Survey on People's knowledge about agriculture

So true

Yes, Surely Agriculture is an inevitable one because agriculture is the most important source for human beings to live with

-

No

Nothing

Without agriculture no one can survive so it's obviously inevitable one

-

Nothing

Backbone of living

Definitely. Without it we lose our tradition and values. No other food source can compare (fishery etc..)

Nil

Yes

Yes, it is true. Without agriculture nothing in the world.

When we have to survive the one thing most important that is agriculture.

Yes

-

Most commonly needs

.

No

Improve the agricultural

Yes it's our identity.

Nothing
